

## **2009 Summer USTA Junior Team Tennis – Omaha**

A team consists of a minimum of 3 boys and 3 girls, with a maximum of 10 players. Each team match consists of six sets – a boy's singles, a girl's singles, boys' doubles, girls' doubles, and two mixed doubles. Schedules and scores will be kept on TennisLink at USTA.com. For those who have played in the league before, there will be one big difference from years past. In the past, if you played a minimum of 3 matches in the local league, your team qualified to be a part of the District Championships with the opportunity to advance to Sectionals (in Kansas City) and even Nationals. This year, the local league is not part of the qualifying requirements for the District Championships like it has in the past. If you are interested in playing in the local league and being a part of the District Championships, I can give you more information on how you can get your team involved with that as well.

\$48 per player - Non -USTA members
