KAREN S. NIEMANTS MEMORIAL TENNIS EVENT

“LIGHT THE COURTS WITH L♥VE”

WEEKEND OF SEPTEMBER 19TH & 20TH, 2009

September 19-20: What is this event? It is fun and helps to raise funds to put up lights at the Koch Family Tennis Center. What kind of fun? Ever wonder how fast your serve is? Well we will have the radar gun there to find out, and there will be drills to improve your game. We also hope to have a beat the pro event, if we can find a brave and daring pro who will come out and put us all in our place. Then there will be the blind draw mixed doubles event. Food and refreshments. This will be a fun time event for everyone and will help raise money to put up lights on the courts at the Koch Family Tennis Center. The entry form will come out in the July newsletter, so save the date and be prepared to have a good time.
